Winner of ICSC's Bishop Connare Award in 2009, Sharon Hueckel has been helping parishes embrace the spirituality of stewardship since the publication of the U.S. Bishops' pastoral letter on stewardship in 1993.

She developed a small group, faithsharing version of the pastoral letter (*The Disciple as Steward*) and wrote a series of stewardship bulletin inserts which later became *Stewardship by the Book*. She served five years on the ICSC Board of Directors, during which she planned regional gatherings of stewardship professionals and wrote *Steward Saints for Every Day*. She also served on Our Sunday Visitor's Customer Advisory Panel and now writes monthly for their on-line *Grace in Action* Leaders Guide.

She is passionate about stewardship as a way of life. In print and in person her theme is always that all is gift and the only appropriate response to that giftedness is gratitude.
